LUKOIL'S ENERGY WORKERS WIN ALL-RUSSIA PROFESSIONAL EXCELLENCE CONTEST

Employees of LUKOIL-Group's power generating companies won several awards in various nominations of the 2017 All-Russia Professional Excellence Contest of heat and power plants operations personnel. The event, supported by the Russian Ministry of Energy, was held at facilities of the Corporate Energy University in Moscow.

Contest judges estimated knowledge of regulations, standards and practical skills, critical both for routine operations and emergency situations.

With their wins in four of seven contest phases in the team event and five of thirteen victories in the individual event, LUKOIL-Volgogradenergo team, representing LUKOIL Group, was rated best among range type heat and power plants teams.
