LUKOIL SUPPORTS NEW HISTORY MUSEUM IN VOLGOGRAD

A museum, named *Russia. My History* and established with LUKOIL's support, formally opened in Volgograd. The exhibits, including interactives and holographic floor cases, cover the entire history of our country, from the times of the Rurik dynasty to this day. There is information about milestones in the development of Volgograd Region.

Innovative imaging technologies make *Russia. My History* one of the world's most advanced museums. Constructed in a record few months, it houses 3D video panels to display historical reenactments. The museum boasts two unique movie halls: a dome-shaped theater and a panoramic one. Also, the exhibition features holographic images, touch screens and audio guides
