LUKOIL EXPANDS SUPPLY TO MAN

PJSC “LUKOIL” wins a contract with MAN Truck & Bus for oil servicing in Czech Republic, Slovakia and Hungary. LUKOIL will supply a selection of motor, transmission oils, lubricants and service fluids to subsidiaries and partner service and maintenance centers of MAN, a leading German manufacturer of trucks and buses. It is expected, that oils, lubricants and fuels for service and maintenance fills will be mainly of LUKOIL AVANTGARDE product range.

Since 2015, MAN and NEOPLAN have used LUKOIL’s lubricants for trucks and buses, manufactured and maintained in Russia, at OOO “MAN Truck and Bus RUS” plant and dealerships.

As Vladimir Nekrasov, First Vice President of PJSC “LUKOIL” says, “the Company is maintaining leadership on the Russian lucrative market of oils and lubricants for commercial fleet. LUKOIL highly appreciates trust and loyalty, demonstrated by the Company’s partners both in Russia and abroad, and believes approvals of the world’s leading manufacturers, including MAN, MB, Volvo, Renault Trucks, Cummins, Scania and many others, be yet another proof of the excellent quality of LUKOIL’s lubricants”.
