LUKOIL EXECUTIVES RATED AMONG TOP-1000 RUSSIAN MANAGERS

LUKOIL representatives are listed among the best Russian executives in the 22nd annual *TOP-1000 Russian Managers* rating presented by the Russian Managers Association and *Kommersant* Publishing House. Vagit Alekperov, President of PJSC LUKOIL, made it into the main list of Russian business leaders.

Alexander Matytsyn, First Vice President, entered the top three of finance directors in fuel and energy complex. Oleg Pashaev, Senior Vice President for Sales and Supplies, ranked second among commercial directors of fuel and energy companies. Anatoly Moskalenko, Vice President for Human Resources Management and Social Policy, ended up among the top three HR directors in fuel and energy complex. Evgeny Khavkin, Vice President – Chief of Staff, is among the best three corporate governance directors in fuel and energy industry. Gleb Ovsyannikov, Head of the PR Department, was included in the top list of GR directors. Alexander Podolsky, Head of the IT Department, made it into the top five of the IT directors of fuel and energy companies.

Справка:
The governing principle of the business leaders list and the TOP-1000 rating is "The Best Choose the Best". The list is prepared by the Russian Managers Association with support of Kommersant Publishing House. The rankings are then verified by the members of the TOP-1000 Awards Academy. Both the current year nominees and previous years winners act as experts, thus creating an as objective assessment of their colleagues' professional reputations as possible.
