PRESS SERVICE STATEMENT

LUKOIL Press Service warns all the concerned parties of commercial offers sent to foreign companies on counterfeit JSC LUKOIL-West Siberia letterheads signed by its general director and featuring the company's seal and contact details.

These offers have no relation to the company, and LUKOIL is not responsible for the information and proposals contained in them.

As the number of illegal mailings bearing LUKOIL's trademarks, corporate identity and details of LUKOIL Group's companies, increases, we kindly ask you to use caution and double-check the information against LUKOIL's official websites.

PJSC LUKOIL is looking to take all necessary measures of legal defense to protect its legitimate interests.
