LUKOIL AND ROSATOM TO DEVELOP COOPERATION

Vadim Vorobyov, President of PJSC LUKOIL, and Alexey Likhachev, Director General of ROSATOM, signed a protocol of strategic session on organising cooperation. The protocol aims to develop coordinated actions in the field of oil and gas machinery procurement, introduction of complex solutions for industrial automation and power supply, joint development of IT products.

The parties agreed to create task groups that would focus on the cooperation areas: upstream and downstream, power generation and supply, information technologies. The groups will organise workshops and visits to operation sites, as well as prepare a cooperation development roadmap.
