LUKOIL TOPS NATIONAL RATING OF COMPANIES IN ROMANIA

A LUKOIL Group company, LUKOIL Romania S.R.L., has been rated first among the major businesses in the Romanian National Top of Companies, a rating of the country's major businesses conducted by the Chamber of Commerce and Industry of Romania.

LUKOIL tops the rating for the second year in a row, and this time the company was rated best in the category of Retail Motor Fuel Sales for exceptional quality of products and services at gas stations. The company was rated against economic performance in 2016, entrepreneurship, investments in innovative technologies and ethical conduct of business.

Information:
LUKOIL, on Romania's market since 1998, is operating in all segments of the energy sector, including geological surveys, oil refining, oil and petroleum product supplies, a filling station chain and renewable energy. The company's continuous investment in the development of business and the modernization of its production capacities made it possible to launch new assets, ensure compliance with the high EU standards, guarantee sustainable employment and safe social environment in the region.
