PRESS RELEASE
OCTOBER 04, 2018

PRESS SERVICE STATEMENT

The LUKOIL Press Service informs all parties concerned that false commercial offers to bargain for bitumen supplies are being disseminated on behalf of LUKOIL-Reservnefteprodukt and LLC-International, both fully-owned subsidiaries of PJSC LUKOIL's.

The documents, with fake seals and signatures of LUKOIL Group's company executives, also illegally use the company trademark. The fraudulent offers are sent from e-mails that are slightly different in spelling from the true corporate addresses. This may mislead potential buyers.

Also please bear in mind that since the second half of 2017, the single operator in charge of implementing the LUKOIL Bitumen Program is LLC-International.

Please use caution when communicating with unknown senders and double check the information in the documents against LUKOIL's official web sites (www.lukoil.ru and www.lukoil.com) and available links to web resources of LUKOIL Group's subsidiaries.
