MOVIE MAKING ON LUKOIL OFFSHORE FIXED PLATFORM IN BALTIC SEA

“Tango Tanker” feature movie was filmed on the OOO LUKOIL-Kaliningradmorneft offshore fixed sleetproof oil production platform at the Kravtsovskoye (D-6) oil field in the Barents sea.

The film was produced by Bahtier Hudoynazarov (“Moon daddy”, “Chic”) and starred by Ekaterina Guseva, Marat Basharov, Alexei Guskov, Irina Rozanova, Alexander Feklistov.

Along with the professional actors some LUKOIL employees were also shot acting themselves within the story plot.

The movie will be released in 2006.

The LUKOIL offshore fixed platform is the first Russia’s oil production platform in the Barents field which was designed and built by national design and construction companies.
