PRESS SERVICE STATEMENT

A wholly-owned LUKOIL subsidiary LLK-International had submitted the winning bid for lubricant supplies to the Magnit retail network managing company ZAO Tander.

The company's truck fleet consists of 3,922 MAN tractor trucks, which is half of Russia's fleet of MAN trucks in this category.

In the third quarter of 2012 LLK-International will start to supply LUKOIL Avantgarde Professional 10w40 and LUKOIL GEYSER LT 22 oils, as well as LUKOIL G12 Ultra antifreeze.

LUKOIL Avantgarde Professional 10w40 is a synthetic engine oil designed for heavy-duty diesel engines. Multigrade hydraulic LUKOIL GEYSER LT oil has improved low-temperature, antiwear, antioxidant and anti-corrosion properties. LUKOIL G12 Ultra anti-freezing agent is a high-quality liquid additive designed for car and truck cooling systems.
