# PRESIDENT OF LUKOIL PAYS A WORKING VISIT TO VOLGOGRAD REGION

Today, during his working visit to Volgograd, Vagit Alekperov, President of LUKOIL, met with Andrei Bocharov, Governor of the Volgograd region. The parties discussed implementation of LUKOIL's ongoing projects in the region and main vectors of social and economic cooperation. The Company operates in all spheres of fuel and energy complex in the region: exploration, production and processing of oil and gas, manufacturing of oil products and modern lubricants, sales of motor fuels, and power generation, including renewable energy.

Vagit Alekperov and Andrei Bocharov visited a production site at LUKOIL's Volgograd refinery, where market-grade oils are manufactured, and the Engineering Centre of INTESMO LLC: a joint venture of LLK-International LLC (a wholly owned PJSC LUKOIL subsidiary) and Russian Railways PJSC that satisfies about 80% of the needs for railroad lubes of the largest Russian carrier.

LUKOIL President and Governor of the Volgograd region also had a meeting with employees of LUKOIL Group and congratulated workers of RITEK LLC (a wholly owned PJSC LUKOIL subsidiary) on the 30th anniversary of the company, and workers of LUKOIL-Volgogradneftepererabotka LLC – on the 65th anniversary of the refinery.
