LUKOIL BECOMES LEADER OF ESG-INDICES

PJSC LUKOIL became one of the leaders of ESG-indices of Russian Union o Industrialists and Entrepreneurs (RSPP):*Responsibility and Transparency* and *Sustainability Vector*.

The 2022 index participant list was compiled on the basis of RAEX-600 Top 100 rating of the largest Russian companies and the Moscow Exchange Index companies list. The ESG-indices calculations were based upon public reports of the enterprises. The assessment took into account 44 indices and 73 indicators that reflect economic, environmental, social and governance aspects of sustainable development.

The RSPP indices became the first Russian tool for comprehensive assessment of companies based on ESG-factors.
