LUKOIL WINS THE GLOBAL CORPORATE SUSTAINABILITY AWARDS

LUKOIL Group 2022 Sustainability Report debuted in the international Global Corporate Sustainability Awards and received a bronze class award in the Sustainability Reporting category. The category recognizes organizations for disclosure of information in transparent and credible manner.

In 2023, 80 companies representing 8 countries submitted 90 applications to the contest. LUKOIL became its only Russian participant and winner. Among other Sustainability Reporting Awards winners are such companies as Delta Electronics, Inc., Hewlett Packard Enterprise, China Airlines Ltd., Logitech International S.A. etc.

Information:
The international Global Corporate Sustainability Awards is held by the Alliance for the UN Sustainable Development Goals of Taiwan since 2018. The award offers recognition in three categories: Sustainability Reporting, Best Practice, and Outstanding Professional.
